

## OPERATION GREEN PARROT

Your village, hometown & state need your help today to fight scourge of erosion & decay

**Yes, our expert team is on the ground!**

We do study the problems in all communities & then design unique solutions based on our findings  
**Don't be left out; register your village, community, local government & state today**

For additional information, contact your state Ministry of Environment or office of the Executive Director  
of WIEF Nigeria, Dr. Odili Ojukwu, at [oojukwu@otgenviroengineering.com](mailto:oojukwu@otgenviroengineering.com) or call 08033380090
